

## Data Sheet—Ornamental Bridge (under 10m)

### Ornamental Bridges—under 10m

Ornamental bridges are made to order to suit the client's requirements in a range of styles to suit locations, budgets, spans & aesthetics.

Our ornamental bridges have enhanced Private Gardens, Estates, Public Parks & Gardens, Housing Developments and Theme Parks.

Available in Hardwood or Softwood and with FSC certification.

All softwood used is pre-treated for a 30 year service life. All hardwood used has a natural durability in excess of 40 years.

Ornamental bridges can have solid timber beams, glue-laminated beams, dowel-laminated beams or steel beams

The bridges can be delivered in kit form or fully assembled to any location in the UK

CTS can provide an installation service for the bridge onto abutments prepared by others.
